

DAVID BASSIN

AI BUILDER AND EDUCATOR

Woodmere, NY | davidbassin12@gmail.com | dbassin12.github.io | linkedin.com/in/dbassin | github.com/dbassin12

I build practical AI tools: a call system for a plumbing company, a financial aid dashboard with a university counselor, and history videos and review games my students use in class. I teach history and economics, and on my school's AI Task Force, I coach teachers and helped write our AI guidelines. Through Bassin Consulting, I offer AI training and tools to schools and ed-tech teams.

EXPERIENCE

Bassin Consulting Founder

Woodmere, NY · Dec 2025 – Present

AI tools and training for schools and ed-tech teams.

- Built a **call-to-CRM system** for a local plumbing company: AI transcribes a call, pulls out the address, job, urgency, price, and next step, and creates a Pipedrive deal in under a minute.
- Built **FinAid Dashboard** with a university financial aid counselor: it adjusts the federal aid formula for regional cost of living and K-12 tuition, and shows each step of the math.
- Run a **home AI lab** on a Mac mini: my own Discord AI agent, local models, and 20+ scheduled automations.

DRS Yeshiva High School for Boys History and Economics Teacher

Woodmere, NY · Sep 2020 – Present

- Teach **AP Macroeconomics** to seniors on a year planned backward from the May exam, with all 42 College Board topics on a named day. Made 16 new lesson decks with AI tools, built on real events and data, plus AP-style quizzes with answer keys.
- Teach **Global History 10** to five sections. Made a series of **short narrated French Revolution videos** with AI tools, and an IEP version of each worksheet.
- Made review games with AI tools: **Road to Revolution** (3D game, 213 voiced lines) and the **DRS Econ Arcade** (7 AP Macro games).
- **AI Task Force** member: coach teachers in groups and one-on-one, and helped write our AI guidelines.
- Cut paperwork with automation: Schoology to Veracross grade transfer, a pacing calendar for 127 class meetings, and weekly update emails drafted from it.

Yeshivah Lev Torah History and Personal Finance Teacher

Brooklyn, NY · Sep 2018 – Sep 2020

- Taught Regents Global History (grades 9 to 12) and built a personal finance course from scratch.

Hebrew Academy for Special Children Special Ed Teaching Assistant

Brooklyn, NY · Sep 2016 – Sep 2018

- Gave one-on-one and small-group support and helped carry out IEPs with lead teachers.

M. Shanken Communications IT Support Specialist

New York, NY · Jan 2013 – Aug 2015

- Supported 100+ staff on hardware, software, and accounts, and set up the IT side of an office move.

TRY IT (LIVE AND FREE)

- **History videos:** four short videos on the French Revolution dbassin12.github.io/history-videos
- **Road to Revolution:** a 3D review game, the Enlightenment to 1789 road-to-revolution.vercel.app
- **DRS Econ Arcade:** shift the curve, run the Fed dbassin12.github.io/drs-econ-arcade
- **Mo's Big Dig:** a talking 3D Earth for young kids dbassin12.github.io/mos-big-dig

SKILLS

AI: Claude Code, Claude, ChatGPT, Codex, Ollama, Whisper, AI video and voice, checking AI output

Building: Twilio, Pipedrive, webhooks, Next.js, Vercel, GitHub, Three.js, workflow automation

Teaching: AP Macro (CED), Global History, DBQ writing, IEP versions, teacher coaching, Schoology

EDUCATION

M.S. in Education, Pace University

B.A. in History, Baruch College
